RE: Preremedial Site Inspection Prioritization
Olin Chemicals Group - North Little Rock, Arkansas
EPA ID No. ARD006354542

Dear Mr. John L. Jones:

Attached, please find the approved "Consent for Access to Property" form for EPA, and/or parties authorized by EPA, to access and obtain samples from Olin's North Little Rock site.

I have contacted Brian Carter, PRC Environmental, and have scheduled site access and sampling for November 9, 1994. During sampling, an Olin representative will be collecting split-samples of all samples obtained by PRC Environmental.

Additionally, Olin hereby requests a copy of the North Little Rock site inspection report.

Should there be any questions, please contact me at (615) 336-4576.

Sincerely,

Richard W. McClure
Site Environmental Specialist

ATTACHMENT A

CONSENT FOR ACCESS TO PROPERTY

Name: Olin Chemicals Group—North Little Rock, Arkansas facility

Description of Property: Olin Chemicals Group, 200 East 5th Street, North Little Rock, Arkansas

I hereby consent to PRC Environmental Management, Inc. (PRC), duly authorized consultants of the United States Environmental Protection Agency (EPA), entering and having continued access to the property described above for the following purposes:

1. Obtaining information related to the Olin Chemicals Group—North Little Rock facility.
2. Collection of soil, water, and air samples.
3. The sampling of any solids or liquids stored or disposed on the property.
4. Other actions related to the investigation of surface and subsurface contaminants, which may include disposal of small quantities of water and detergent, if necessary, used to clean sampling and personnel protective equipment.

If requested, PRC will provide to the property owner or representative(s) a portion of each sample obtained at the time the samples are collected. It is the property owners responsibility to provide extra sample containers and coordinate with PRC to schedule collection of any split samples. Laboratory arrangements and expenses for split samples requested by the property owner are the responsibility of the property owner.

I realize that these actions are undertaken pursuant to EPA's response and enforcement responsibilities under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C. Sections 9601-9626.

I am the property owner, or a responsible official of the property owner, and I warrant that I have the authority to make this access agreement.

I give this written permission voluntarily, with knowledge of my right to refuse, and without threats or promises of any kind.
